

PRODUCT-DETAILS

**008032**

**4 POLY-DISC CPLG DISC**

### General Information

|                         |                       |
|-------------------------|-----------------------|
| Global Commercial Alias | 008032                |
| Product ID              | 7B008032              |
| ABB Type Designation    | 4 POLY-DISC CPLG DISC |
| Catalog Description     | 4 POLY-DISC CPLG DISC |

### Additional Information

|                           |                       |
|---------------------------|-----------------------|
| ABB Type Designation      | 4 POLY-DISC CPLG DISC |
| ATEX Certificate          | NO                    |
| Angular Misalignment      | 2 °                   |
| Bore Length               | 0.625 in              |
| Country of Origin         | United States (US)    |
| Coupling Component        | Element               |
| Coupling Size             | 4                     |
| Coupling Style            | Pin                   |
| Coupling Type             | Elastomeric           |
| Customs Tariff Number     | 84833032              |
| Element Material          | Urethane              |
| Global Commercial Alias   | 008032                |
| Gross Volume              | 0 in <sup>3</sup>     |
| Gross Weight              | 0.073 kg              |
| Horsepower Per 100 Rating | 0.95 Hp               |
| Invoice Description       | 4 POLY-DISC CPLG DISC |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Lubrication                | None                                                     |
| Made To Order              | No                                                       |
| Maximum Speed              | 3600 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Outside Diameter           | 3.9375 in                                                |
| Parallel Misalignment      | 0.03125 in                                               |
| Product Frame Size         | 4                                                        |
| Product Name               | DODGE COUPLINGS                                          |
| Product Net Height         | 1.27 cm                                                  |
| Product Net Length         | 10.16 cm                                                 |
| Product Net Weight         | 0.073 kg                                                 |
| Product Net Width          | 10.16 cm                                                 |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Rated Torque               | 600 in-lb                                                |
| Remarks                    | ELEMENT                                                  |
| Selling Unit of Measure    | piece                                                    |
| Shaft Spacer               | CLOSE-COUPLED                                            |
| Shaft Spacing              | Close Coupled                                            |
| Size                       | 4                                                        |
| Spacer Distance            | CLOSE-COUPLED                                            |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
| Temperature Rating         | Maximum 170 °F<br>Minimum -90 °F                         |
| Torsional Rigidity         | FLEXIBLE                                                 |
| WEEE B2C / B2B             | Business To Business                                     |
| WEEE Category              | Product Not in WEEE Scope                                |
