

PRODUCT-DETAILS

**016630**

No Description Available

### General Information

|                         |                          |
|-------------------------|--------------------------|
| Global Commercial Alias | 016630                   |
| Product ID              | 7B016630                 |
| ABB Type Designation    | RAPTOR 120HCBM 6-7/16"   |
| Catalog Description     | No Description Available |

### Additional Information

|                           |                        |
|---------------------------|------------------------|
| ABB Type Designation      | RAPTOR 120HCBM 6-7/16" |
| Angular Misalignment      | 1.5 °                  |
| Axial Misalignment        | 0.3125 in              |
| Bore Diameter             | Actual 6.4375 in       |
| Bore Fit                  | Interference           |
| Bore Length               | 6 in                   |
| Bore Tolerance Standard   | AGMA 9002              |
| Country of Origin         | United States (US)     |
| Coupling Component        | Hub                    |
| Coupling Size             | 120                    |
| Coupling Style            | Split-Tire             |
| Coupling Type             | Elastomeric            |
| Customs Tariff Number     | 84839089               |
| Global Commercial Alias   | 016630                 |
| Gross Weight              | 83.491 kg              |
| Horsepower Per 100 Rating | 270 Hp                 |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Lubrication                | None                                                     |
| Made To Order              | No                                                       |
| Material                   | Steel                                                    |
| Maximum Speed              | 1800 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Outside Diameter           | 17.63 in                                                 |
| Parallel Misalignment      | 0.1875 in                                                |
| Product Name               | DODGE COUPLINGS                                          |
| Product Net Height         | 0 cm                                                     |
| Product Net Length         | 0 cm                                                     |
| Product Net Weight         | 83.491 kg                                                |
| Product Net Width          | 0 cm                                                     |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Rated Torque               | 170170 in-lb                                             |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Bored To Size                                            |
| Shaft Spacing              | Close Coupled<br>Spacer                                  |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
| Temperature Rating         | Maximum 220 °F<br>Minimum -45 °F                         |
