

## PRODUCT-DETAILS

# 023007

## P2B-E-112R TYPE E-XTRA

### General Information

|                         |                        |
|-------------------------|------------------------|
| Global Commercial Alias | 023007                 |
| Product ID              | 7B023007               |
| ABB Type Designation    | P2B-E-112R TYPE E-XTRA |
| Catalog Description     | P2B-E-112R TYPE E-XTRA |

### Additional Information

|                         |                                    |
|-------------------------|------------------------------------|
| ABB Type Designation    | P2B-E-112R TYPE E-XTRA             |
| Adapter Type            | NONE                               |
| Base to Center Height   | 2.25 in                            |
| Bearing Type            | Tapered Roller                     |
| Bolt Size               | Diameter 0.625 in                  |
| Bolt to Bolt            | Maximum 7.13 in<br>Minimum 6.88 in |
| Bore Diameter           | 1.75 in                            |
| Bore Length             | 3.5 in                             |
| Country of Origin       | United States (US)                 |
| Customs Tariff Number   | 84823000                           |
| Dynamic Load Capacity   | 9300 lbf                           |
| Expansion Capability    | Non-Expansion (Fixed)              |
| Global Commercial Alias | 023007                             |
| Grease Name             | MobilGrease XHP222                 |
| Gross Volume            | 190.78 in <sup>3</sup>             |
| Gross Weight            | 5.534 kg                           |

|                              |                                                                             |
|------------------------------|-----------------------------------------------------------------------------|
| Housing Construction         | Solid                                                                       |
| Housing Dimensional Standard | Type E                                                                      |
| Housing Material             | Cast Iron                                                                   |
| Housing Type                 | Two-Bolt Pillow Block                                                       |
| Insert Material              | Steel                                                                       |
