

PRODUCT-DETAILS

**023095**

**F4B-E-106R TYPE E-XTRA**

### General Information

|                         |                        |
|-------------------------|------------------------|
| Global Commercial Alias | 023095                 |
| Product ID              | 7B023095               |
| ABB Type Designation    | F4B-E-106R TYPE E-XTRA |
| Catalog Description     | F4B-E-106R TYPE E-XTRA |

### Additional Information

|                         |                                  |
|-------------------------|----------------------------------|
| ABB Type Designation    | F4B-E-106R TYPE E-XTRA           |
| Adapter Type            | NONE                             |
| Bearing Type            | Tapered Roller                   |
| Bolt Circle             | 4.95 in                          |
| Bolt Size               | Diameter 0.5 in                  |
| Bolt to Bolt            | Maximum 3.5 in<br>Minimum 3.5 in |
| Bore Diameter           | 1.375 in                         |
| Bore Length             | 3 in                             |
| Country of Origin       | United States (US)               |
| Customs Tariff Number   | 84821090                         |
| Dynamic Load Capacity   | 5500 lbf                         |
| Expansion Capability    | Non-Expansion (Fixed)            |
| Global Commercial Alias | 023095                           |
| Grease Name             | MobilGrease XHP222               |
| Gross Volume            | 87.5 in <sup>3</sup>             |
| Gross Weight            | 3.051 kg                         |

|                              |                                                          |
|------------------------------|----------------------------------------------------------|
| Housing Construction         | Solid                                                    |
| Housing Dimensional Standard | Type E                                                   |
| Housing Material             | Cast Iron                                                |
| Housing Type                 | Four-Bolt Flange                                         |
| Insert Material              | Steel                                                    |
| Invoice Description          | F4B-E-106R TYPE E-XTRA                                   |
| Lubrication                  | Grease                                                   |
| Made To Order                | No                                                       |
| Maximum Speed                | 3820 r/min                                               |
| Minimum Order Quantity       | 1 piece                                                  |
| Order Multiple               | 1 piece                                                  |
| Product Name                 | TAPERED ROLLER BEARINGS                                  |
| Product Net Height           | 8.89 cm                                                  |
| Product Net Length           | 12.7 cm                                                  |
| Product Net Weight           | 3.051 kg                                                 |
| Product Net Width            | 12.7 cm                                                  |
| Product Series               | 107 SERIES                                               |
| Product Type                 | Undefined                                                |
| Quote Only                   | No                                                       |
| Relubricatable               | Yes                                                      |
| Sealing Type                 | Triple-Lip Contact                                       |
| Selling Unit of Measure      | piece                                                    |
| Shaft Attachment             | Setscrew                                                 |
| Shaft Diameter               | 1.375 in                                                 |
| Static Load Capacity         | 26000 lbf                                                |
