

PRODUCT-DETAILS

**023160**

**TP-E-300R TYPE E-XTRA**

### General Information

|                         |                       |
|-------------------------|-----------------------|
| Global Commercial Alias | 023160                |
| Product ID              | 7B023160              |
| ABB Type Designation    | TP-E-300R TYPE E-XTRA |
| Catalog Description     | TP-E-300R TYPE E-XTRA |

### Additional Information

|                              |                       |
|------------------------------|-----------------------|
| ABB Type Designation         | TP-E-300R TYPE E-XTRA |
| Adapter Type                 | NONE                  |
| Bearing Type                 | Tapered Roller        |
| Bore Diameter                | 3 in                  |
| Bore Length                  | 4.5 in                |
| Country of Origin            | United States (US)    |
| Customs Tariff Number        | 84821090              |
| Dynamic Load Capacity        | 11120 lbf             |
| Expansion Capability         | Non-Expansion (Fixed) |
| Global Commercial Alias      | 023160                |
| Grease Name                  | MobilGrease XHP222    |
| Gross Weight                 | 13.166 kg             |
| Housing Construction         | Solid                 |
| Housing Dimensional Standard | Type E                |
| Housing Material             | Cast Iron             |
| Housing Type                 | Top-Angle Takeup      |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Insert Material            | Steel                                                    |
| Invoice Description        | TP-E-300R TYPE E-XTRA                                    |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 2060 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 0 cm                                                     |
| Product Net Length         | 0 cm                                                     |
| Product Net Weight         | 13.166 kg                                                |
| Product Net Width          | 0 cm                                                     |
| Product Series             | 215 SERIES                                               |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Triple-Lip Contact                                       |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Setscrew                                                 |
| Shaft Diameter             | 3 in                                                     |
| Static Load Capacity       | 61200 lbf                                                |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
| Take Up Frame Size         | TP-40                                                    |
| WEEE B2C / B2B             | Business To Business                                     |
| WEEE Category              | Product Not in WEEE Scope                                |
