

PRODUCT-DETAILS

**023231**

**F4B-K-308R TYPE K**

### General Information

|                         |                   |
|-------------------------|-------------------|
| Global Commercial Alias | 023231            |
| Product ID              | 7B023231          |
| ABB Type Designation    | F4B-K-308R        |
| Catalog Description     | F4B-K-308R TYPE K |

### Additional Information

|                         |                                    |
|-------------------------|------------------------------------|
| ABB Type Designation    | F4B-K-308R                         |
| Adapter Type            | NONE                               |
| Bearing Type            | Tapered Roller                     |
| Bolt Circle             | 11.5 in                            |
| Bolt Size               | Diameter 0.875 in                  |
| Bolt to Bolt            | Maximum 8.13 in<br>Minimum 8.13 in |
| Bore Diameter           | 3.5 in                             |
| Bore Length             | 4.5 in                             |
| Country of Origin       | United States (US)                 |
| Customs Tariff Number   | 84821090                           |
| Dynamic Load Capacity   | 17750 lbf                          |
| Expansion Capability    | Non-Expansion (Fixed)              |
| Global Commercial Alias | 023231                             |
| Grease Name             | MobilGrease XHP222                 |
| Gross Weight            | 20.43 kg                           |
| Housing Construction    | Split                              |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Housing Material           | Ductile Iron                                             |
| Housing Type               | Four-Bolt Flange                                         |
| Insert Material            | Steel                                                    |
| Invoice Description        | F4B-K-308R TYPE K                                        |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 1640 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 0 cm                                                     |
| Product Net Length         | 0 cm                                                     |
| Product Net Weight         | 20.43 kg                                                 |
| Product Net Width          | 0 cm                                                     |
| Product Series             | 307 SERIES                                               |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Triple-Lip Contact                                       |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Setscrew                                                 |
| Shaft Diameter             | 3.5 in                                                   |
| Static Load Capacity       | 108600 lbf                                               |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
| WEEE B2C / B2B             | Business To Business                                     |
| WEEE Category              | Product Not in WEEE Scope                                |
