

PRODUCT-DETAILS

**023412**

**P4B-DI-408RE DBL INTERLOCK**

### General Information

|                         |                            |
|-------------------------|----------------------------|
| Global Commercial Alias | 023412                     |
| Product ID              | 7B023412                   |
| ABB Type Designation    | P4B-DI-408RE DBL INTERLOCK |
| Catalog Description     | P4B-DI-408RE DBL INTERLOCK |

### Additional Information

|                         |                                      |
|-------------------------|--------------------------------------|
| ABB Type Designation    | P4B-DI-408RE DBL INTERLOCK           |
| Adapter Type            | NONE                                 |
| Base to Center Height   | 5.75 in                              |
| Bearing Type            | Tapered Roller                       |
| Bolt Size               | Diameter 0.75 in                     |
| Bolt Width              | 2.25 in                              |
| Bolt to Bolt            | Maximum 16.25 in<br>Minimum 14.38 in |
| Bore Diameter           | 4.5 in                               |
| Bore Length             | 6.75 in                              |
| Country of Origin       | United States (US)                   |
| Customs Tariff Number   | 84823000                             |
| Dynamic Load Capacity   | 30000 lbf                            |
| Expansion Capability    | Expansion (Float)                    |
| Global Commercial Alias | 023412                               |
| Grease Name             | MobilGrease XHP222                   |
| Gross Volume            | 2118.19 in <sup>3</sup>              |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Gross Weight               | 68.1 kg                                                  |
| Housing Construction       | Split                                                    |
| Housing Material           | Cast Iron                                                |
| Housing Type               | Four-Bolt Pillow Block                                   |
| Insert Material            | Steel                                                    |
| Invoice Description        | P4B-DI-408RE DBL INTERLOCK                               |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 1360 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 33.02 cm                                                 |
| Product Net Length         | 20.95 cm                                                 |
| Product Net Weight         | 68.1 kg                                                  |
| Product Net Width          | 50.16 cm                                                 |
| Product Series             | 407 SERIES                                               |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Triple-Lip Contact                                       |
| Selling Unit of Measure    | piece                                                    |
| Sensor Ready               | Yes                                                      |
| Shaft Attachment           | Setscrew                                                 |
| Shaft Diameter             | 4.5 in                                                   |
| Static Load Capacity       | 188400 lbf                                               |
