

PRODUCT-DETAILS

**039364**

**CP2B309-USAF-045MTT USAF**

### General Information

|                         |                          |
|-------------------------|--------------------------|
| Global Commercial Alias | 039364                   |
| Product ID              | 7B039364                 |
| ABB Type Designation    | CP2B309-USAF-045MTT USAF |
| Catalog Description     | CP2B309-USAF-045MTT USAF |

### Additional Information

|                         |                                    |
|-------------------------|------------------------------------|
| ABB Type Designation    | CP2B309-USAF-045MTT USAF           |
| Base to Center Height   | 2.75 in                            |
| Bearing Component Type  | Mounted Bearing                    |
| Bearing Type            | Spherical Roller                   |
| Bolt Size               | Diameter 0.625 in                  |
| Bolt Width              | 0.625 in                           |
| Bolt to Bolt            | Maximum 8.25 in<br>Minimum 7.38 in |
| Bore Diameter           | 45 mm                              |
| Bore Length             | 4.36 in                            |
| Country of Origin       | United States (US)                 |
| Customs Tariff Number   | 84823000                           |
| Dynamic Load Capacity   | 42500 lbf                          |
| Expansion Capability    | Non-Expansion (Fixed)              |
| Global Commercial Alias | 039364                             |
| Gross Weight            | 0.005 kg                           |

|                              |                                                          |
|------------------------------|----------------------------------------------------------|
| Housing Construction         | Split                                                    |
| Housing Dimensional Standard | SAF                                                      |
| Housing Material             | Cast Iron                                                |
| Housing Type                 | Two-Bolt Pillow Block                                    |
| Insert Material              | Steel                                                    |
| Invoice Description          | CP2B309-USAF-045MTT USAF                                 |
| Lubrication                  | Grease                                                   |
| Made To Order                | No                                                       |
| Maximum Speed                | 3800 r/min                                               |
| Minimum Order Quantity       | 1 piece                                                  |
| Order Multiple               | 1 piece                                                  |
| Product Name                 | SPHERICAL ROLLER BEARINGS                                |
| Product Net Height           | 0 cm                                                     |
| Product Net Length           | 0 cm                                                     |
| Product Net Weight           | 0.005 kg                                                 |
| Product Net Width            | 0 cm                                                     |
| Product Type                 | Undefined                                                |
| Quote Only                   | No                                                       |
| Relubricatable               | Yes                                                      |
| Sealing Type                 | Combination Contact Labyrinth Seal                       |
| Selling Unit of Measure      | piece                                                    |
| Sensor Ready                 | Yes                                                      |
| Shaft Attachment             | Tapered Adapter                                          |
| Shaft Diameter               | 45 mm                                                    |
| Static Load Capacity         | 41500 lbf                                                |
