

PRODUCT-DETAILS

**039365**

**CP2B311-USAF-055MTT USAF**

### General Information

|                         |                          |
|-------------------------|--------------------------|
| Global Commercial Alias | 039365                   |
| Product ID              | 7B039365                 |
| ABB Type Designation    | CP2B311-USAF-055MTT USAF |
| Catalog Description     | CP2B311-USAF-055MTT USAF |

### Additional Information

|                         |                                   |
|-------------------------|-----------------------------------|
| ABB Type Designation    | CP2B311-USAF-055MTT USAF          |
| Base to Center Height   | 3 in                              |
| Bearing Component Type  | Mounted Bearing                   |
| Bearing Type            | Spherical Roller                  |
| Bolt Size               | Diameter 0.625 in                 |
| Bolt Width              | 0.625 in                          |
| Bolt to Bolt            | Maximum 9.5 in<br>Minimum 8.13 in |
| Bore Diameter           | 55 mm                             |
| Bore Length             | 4.8 in                            |
| Country of Origin       | United States (US)                |
| Customs Tariff Number   | 84823000                          |
| Dynamic Load Capacity   | 60000 lbf                         |
| Expansion Capability    | Non-Expansion (Fixed)             |
| Global Commercial Alias | 039365                            |
| Gross Weight            | 0.005 kg                          |

|                              |                                    |
|------------------------------|------------------------------------|
| Housing Construction         | Split                              |
| Housing Dimensional Standard | SAF                                |
| Housing Material             | Cast Iron                          |
| Housing Type                 | Two-Bolt Pillow Block              |
| Insert Material              | Steel                              |
| Invoice Description          | CP2B311-USAF-055MTT USAF           |
| Lubrication                  | Grease                             |
| Made To Order                | No                                 |
| Maximum Speed                | 3200 r/min                         |
| Minimum Order Quantity       | 1 piece                            |
| Order Multiple               | 1 piece                            |
| Product Name                 | SPHERICAL ROLLER BEARINGS          |
| Product Net Height           | 0 cm                               |
| Product Net Length           | 0 cm                               |
| Product Net Weight           | 0.005 kg                           |
| Product Net Width            | 0 cm                               |
| Product Type                 | Undefined                          |
| Quote Only                   | No                                 |
| Relubricatable               | Yes                                |
| Sealing Type                 | Combination Contact Labyrinth Seal |
| Selling Unit of Measure      | piece                              |
| Sensor Ready                 | Yes                                |
| Shaft Attachment             | Tapered Adapter                    |
| Shaft Diameter               | 55 mm                              |
| Static Load Capacity         | 58500 lbf                          |
| Stocked At (Warehouses)      | China<br>Alabama, United States    |
| WEEE B2C / B2B               | Business To Business               |
| WEEE Category                | Product Not in WEEE Scope          |
