

PRODUCT-DETAILS

**039380**

**P4B324-USAF-120MTT USAF**

### General Information

|                         |                         |
|-------------------------|-------------------------|
| Global Commercial Alias | 039380                  |
| Product ID              | 7B039380                |
| ABB Type Designation    | P4B324-USAF-120MTT USAF |
| Catalog Description     | P4B324-USAF-120MTT USAF |

### Additional Information

|                         |                                      |
|-------------------------|--------------------------------------|
| ABB Type Designation    | P4B324-USAF-120MTT USAF              |
| Base to Center Height   | 6.31 in                              |
| Bearing Component Type  | Mounted Bearing                      |
| Bearing Type            | Spherical Roller                     |
| Bolt Size               | Diameter 1 in                        |
| Bolt Width              | 3.75 in                              |
| Bolt to Bolt            | Maximum 18.25 in<br>Minimum 16.75 in |
| Bore Diameter           | 120 mm                               |
| Bore Length             | 9.28 in                              |
| Country of Origin       | United States (US)                   |
| Customs Tariff Number   | 84823000                             |
| Dynamic Load Capacity   | 240000 lbf                           |
| Expansion Capability    | Non-Expansion (Fixed)                |
| Global Commercial Alias | 039380                               |
| Gross Weight            | 101.878 kg                           |

|                              |                                                          |
|------------------------------|----------------------------------------------------------|
| Housing Construction         | Split                                                    |
| Housing Dimensional Standard | SAF                                                      |
| Housing Material             | Cast Iron                                                |
| Housing Type                 | Four-Bolt Pillow Block                                   |
| Insert Material              | Steel                                                    |
| Invoice Description          | P4B324-USAF-120MTT USAF                                  |
| Lubrication                  | Grease                                                   |
| Made To Order                | No                                                       |
| Maximum Speed                | 1400 r/min                                               |
| Minimum Order Quantity       | 1 piece                                                  |
| Order Multiple               | 1 piece                                                  |
| Product Name                 | SPHERICAL ROLLER BEARINGS                                |
| Product Net Height           | 0 cm                                                     |
| Product Net Length           | 0 cm                                                     |
| Product Net Weight           | 101.878 kg                                               |
| Product Net Width            | 0 cm                                                     |
| Product Type                 | Undefined                                                |
| Quote Only                   | No                                                       |
| Relubricatable               | Yes                                                      |
| Sealing Type                 | Combination Contact Labyrinth Seal                       |
| Selling Unit of Measure      | piece                                                    |
| Sensor Ready                 | Yes                                                      |
| Shaft Attachment             | Direct Mount                                             |
| Shaft Diameter               | 120 mm                                                   |
| Static Load Capacity         | 265000 lbf                                               |
