

## PRODUCT-DETAILS

# 077286

## P4B-EXL-208RE

### General Information

|                         |               |
|-------------------------|---------------|
| Global Commercial Alias | 077286        |
| Product ID              | 7B077286      |
| ABB Type Designation    | P4B-EXL-208RE |
| Catalog Description     | P4B-EXL-208RE |

### Additional Information

|                         |                                    |
|-------------------------|------------------------------------|
| ABB Type Designation    | P4B-EXL-208RE                      |
| Adapter Type            | NONE                               |
| Base to Center Height   | 2.75 in                            |
| Bearing Type            | Tapered Roller                     |
| Bolt Size               | Diameter 0.625 in                  |
| Bolt Width              | 1.88 in                            |
| Bolt to Bolt            | Maximum 8.25 in<br>Minimum 7.75 in |
| Bore Length             | 4 in                               |
| Country of Origin       | United States (US)                 |
| Customs Tariff Number   | 84823000                           |
| Dynamic Load Capacity   | 10600 lbf                          |
| Expansion Capability    | Expansion (Float)                  |
| Global Commercial Alias | 077286                             |
| Grease Name             | None                               |
| Gross Weight            | 13.166 kg                          |
| Housing Construction    | Split                              |

|                              |                                                          |
|------------------------------|----------------------------------------------------------|
| Housing Dimensional Standard | Type E                                                   |
| Housing Material             | Ductile Iron                                             |
| Housing Type                 | Four-Bolt Pillow Block                                   |
| Insert Material              | Steel                                                    |
| Invoice Description          | P4B-EXL-208RE                                            |
| Lubrication                  | Grease                                                   |
| Made To Order                | No                                                       |
| Maximum Speed                | 2420 r/min                                               |
| Minimum Order Quantity       | 1 piece                                                  |
| Order Multiple               | 1 piece                                                  |
| Product Name                 | TAPERED ROLLER BEARINGS                                  |
| Product Net Height           | 0 cm                                                     |
| Product Net Length           | 0 cm                                                     |
| Product Net Weight           | 13.166 kg                                                |
| Product Net Width            | 0 cm                                                     |
| Product Series               | 207 SERIES                                               |
| Product Type                 | Undefined                                                |
| Quote Only                   | No                                                       |
| Relubricatable               | Yes                                                      |
| Sealing Type                 | Triple-Lip Contact                                       |
| Selling Unit of Measure      | piece                                                    |
| Sensor Ready                 | Yes                                                      |
| Shaft Attachment             | Setscrew                                                 |
| Shaft Diameter               | 2.5 in                                                   |
| Static Load Capacity         | 54000 lbf                                                |
