

PRODUCT-DETAILS

**077338**

**F4B-EXL-204RE**

### General Information

|                         |               |
|-------------------------|---------------|
| Global Commercial Alias | 077338        |
| Product ID              | 7B077338      |
| ABB Type Designation    | F4B-EXL-204RE |
| Catalog Description     | F4B-EXL-204RE |

### Additional Information

|                              |                                    |
|------------------------------|------------------------------------|
| ABB Type Designation         | F4B-EXL-204RE                      |
| Bearing Type                 | Tapered Roller                     |
| Bolt Circle                  | 7.61 in                            |
| Bolt Size                    | Diameter 0.625 in                  |
| Bolt to Bolt                 | Maximum 5.38 in<br>Minimum 5.38 in |
| Bore Length                  | 4 in                               |
| Country of Origin            | United States (US)                 |
| Customs Tariff Number        | 84821090                           |
| Dynamic Load Capacity        | 10600 lbf                          |
| Expansion Capability         | Expansion (Float)                  |
| Global Commercial Alias      | 077338                             |
| Grease Name                  | None                               |
| Gross Weight                 | 10.896 kg                          |
| Housing Construction         | Split                              |
| Housing Dimensional Standard | Type E                             |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Housing Material           | Ductile Iron                                             |
| Housing Type               | Four-Bolt Flange                                         |
| Insert Material            | Steel                                                    |
| Invoice Description        | F4B-EXL-204RE                                            |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 2420 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 0 cm                                                     |
| Product Net Length         | 0 cm                                                     |
| Product Net Weight         | 10.896 kg                                                |
| Product Net Width          | 0 cm                                                     |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Triple-Lip Contact                                       |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Setscrew                                                 |
| Shaft Diameter             | 2.25 in                                                  |
| Static Load Capacity       | 54000 lbf                                                |
