

## PRODUCT-DETAILS

# 079302

## No Description Available

### General Information

|                         |                          |
|-------------------------|--------------------------|
| Global Commercial Alias | 079302                   |
| Product ID              | 7B079302                 |
| ABB Type Designation    | P4B517-ISAF-300LE        |
| Catalog Description     | No Description Available |

### Additional Information

|                         |                                  |
|-------------------------|----------------------------------|
| ABB Type Designation    | P4B517-ISAF-300LE                |
| Base to Center Height   | 3.75 in                          |
| Bearing Component Type  | Mounted Bearing                  |
| Bearing Type            | Spherical Roller                 |
| Bolt Size               | Diameter 0.625 in                |
| Bolt Width              | 2.13 in                          |
| Bolt to Bolt            | Maximum 11 in<br>Minimum 9.88 in |
| Bore Length             | 3.5 in                           |
| Country of Origin       | United States (US)               |
| Customs Tariff Number   | 84823000                         |
| Dynamic Load Capacity   | 41500 lbf                        |
| Expansion Capability    | Expansion (Float)                |
| Global Commercial Alias | 079302                           |
| Grease Name             | MobilGrease XHP222               |
| Gross Weight            | 17.888 kg                        |

|                              |                                                          |
|------------------------------|----------------------------------------------------------|
| Housing Construction         | Split                                                    |
| Housing Dimensional Standard | SAF                                                      |
| Housing Material             | Cast Iron                                                |
| Housing Type                 | Four-Bolt Pillow Block                                   |
| Insert Material              | Steel                                                    |
| Lubrication                  | Grease                                                   |
| Made To Order                | No                                                       |
| Maximum Speed                | 3400 r/min                                               |
| Minimum Order Quantity       | 1 piece                                                  |
| Order Multiple               | 1 piece                                                  |
| Product Name                 | SPHERICAL ROLLER BEARINGS                                |
| Product Net Height           | 0 cm                                                     |
| Product Net Length           | 0 cm                                                     |
| Product Net Weight           | 17.888 kg                                                |
| Product Net Width            | 0 cm                                                     |
| Product Type                 | Undefined                                                |
| Quote Only                   | No                                                       |
| Relubricatable               | Yes                                                      |
| Sealing Type                 | Labyrinth                                                |
| Selling Unit of Measure      | piece                                                    |
| Sensor Ready                 | Yes                                                      |
| Shaft Attachment             | Push-Pull Adapter                                        |
| Shaft Diameter               | 3 in                                                     |
| Static Load Capacity         | 53000 lbf                                                |
| Stocked At (Warehouses)      | China<br>Alabama, United States<br>Alaska, United States |
| Take Up Frame Size           | HD-250                                                   |
