

PRODUCT-DETAILS

**081195**

No Description Available

### General Information

|                         |                          |
|-------------------------|--------------------------|
| Global Commercial Alias | 081195                   |
| Product ID              | 7B081195                 |
| ABB Type Designation    | P4B522-TAF-315R MOD      |
| Catalog Description     | No Description Available |

### Additional Information

|                         |                                     |
|-------------------------|-------------------------------------|
| ABB Type Designation    | P4B522-TAF-315R MOD                 |
| Base to Center Height   | 4.94 in                             |
| Bearing Type            | Tapered Roller                      |
| Bolt Size               | Diameter 0.75 in                    |
| Bolt Width              | 2.75 in                             |
| Bolt to Bolt            | Minimum 12.59 in<br>Maximum 14.5 in |
| Bore Length             | 6.25 in                             |
| Country of Origin       | United States (US)                  |
| Customs Tariff Number   | 84823000                            |
| Dynamic Load Capacity   | 24400 lbf                           |
| Expansion Capability    | Non-Expansion (Fixed)               |
| Global Commercial Alias | 081195                              |
| Grease Name             | Phymet Micropoly Lube               |
| Gross Weight            | 50.394 kg                           |
| Housing Construction    | Split                               |
| Housing Dimensional     | SAF                                 |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Standard                   |                                                          |
| Housing Material           | Cast Iron                                                |
| Housing Type               | Four-Bolt Pillow Block                                   |
| Insert Material            | Steel                                                    |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 1530 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 0 cm                                                     |
| Product Net Length         | 0 cm                                                     |
| Product Net Weight         | 50.394 kg                                                |
| Product Net Width          | 0 cm                                                     |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Triple-Lip Contact                                       |
| Selling Unit of Measure    | piece                                                    |
| Sensor Ready               | Yes                                                      |
| Shaft Attachment           | Setscrew                                                 |
| Shaft Diameter             | 3.9375 in                                                |
| Static Load Capacity       | 154000 lbf                                               |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
| Take Up Frame Size         | HD-400<br>TS-500                                         |
