

PRODUCT-DETAILS

# 104041

## F4B-C-111 TYPE C

### General Information

|                         |                  |
|-------------------------|------------------|
| Global Commercial Alias | 104041           |
| Product ID              | 7B104041         |
| ABB Type Designation    | F4B-C-111 TYPE C |
| Catalog Description     | F4B-C-111 TYPE C |

### Additional Information

|                         |                                    |
|-------------------------|------------------------------------|
| ABB Type Designation    | F4B-C-111 TYPE C                   |
| Adapter Type            | TYPE C                             |
| Bearing Type            | Tapered Roller                     |
| Bolt Circle             | 7.63 in                            |
| Bolt Size               | Diameter 0.5 in                    |
| Bolt to Bolt            | Minimum 5.39 in<br>Maximum 5.39 in |
| Bore Diameter           | 1.6875 in                          |
| Bore Length             | 4.88 in                            |
| Country of Origin       | United States (US)                 |
| Customs Tariff Number   | 0000000000                         |
| Expansion Capability    | Non-Expansion (Fixed)              |
| Global Commercial Alias | 104041                             |
| Grease Name             | MobilGrease XHP222                 |
| Gross Weight            | 12.126 kg                          |
| Housing Construction    | Split                              |
| Housing Material        | Cast Iron                          |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Housing Type               | Four-Bolt Flange                                         |
| Insert Material            | Steel                                                    |
| Invoice Description        | F4B-C-111 TYPE C                                         |
| Lubrication                | Grease                                                   |
| Made To Order              | No                                                       |
| Maximum Speed              | 3000 r/min                                               |
| Minimum Order Quantity     | 1 piece                                                  |
| Order Multiple             | 1 piece                                                  |
| Product Name               | TAPERED ROLLER BEARINGS                                  |
| Product Net Height         | 12.7 cm                                                  |
| Product Net Length         | 25.4 cm                                                  |
| Product Net Weight         | 12.126 kg                                                |
| Product Net Width          | 25.4 cm                                                  |
| Product Series             | 111 SERIES                                               |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Relubricatable             | Yes                                                      |
| Sealing Type               | Labyrinth                                                |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Clamp Collar                                             |
| Shaft Diameter             | 1.6875 in                                                |
| Stocked At<br>(Warehouses) | China<br>Alabama, United States<br>Alaska, United States |
