

PRODUCT-DETAILS

**119431**

**3030 X 1 7/16-STEEL NKS**

### General Information

|                         |                         |
|-------------------------|-------------------------|
| Global Commercial Alias | 119431                  |
| Product ID              | 7B119431                |
| ABB Type Designation    | 3030 X 1 7/16-STEEL NKS |
| Catalog Description     | 3030 X 1 7/16-STEEL NKS |

### Additional Information

|                         |                                      |
|-------------------------|--------------------------------------|
| ABB Type Designation    | 3030 X 1 7/16-STEEL NKS              |
| Bore Diameter           | Maximum 3.25 in<br>Minimum 1.4375 in |
| Bore Length             | 3 in                                 |
| Bushing Size            | 3030                                 |
| Bushing Type            | Taper-Lock                           |
| Construction Material   | STEEL                                |
| Country of Origin       | United States (US)                   |
| Customs Tariff Number   | 84833032                             |
| Global Commercial Alias | 119431                               |
| Gross Weight            | 4.554 kg                             |
| Hardware Designation    | Imperial                             |
| Installation Torque     | 800 in-lb                            |
| Integral Key            | No                                   |
| Invoice Description     | 3030 X 1 7/16-STEEL NKS              |
| Made To Order           | No                                   |
| Material                | Steel                                |

|                            |                                                          |
|----------------------------|----------------------------------------------------------|
| Minimum Order Quantity     | 1 piece                                                  |
| Number of Bolts            | 2                                                        |
| Order Multiple             | 1 piece                                                  |
| Outside Diameter           | 4.8870 in                                                |
| Product Name               | DODGE BUSHINGS                                           |
| Product Net Height         | 9.86 cm                                                  |
| Product Net Length         | 13.34 cm                                                 |
| Product Net Weight         | 4.554 kg                                                 |
| Product Net Width          | 14.61 cm                                                 |
| Product Type               | Undefined                                                |
| Quote Only                 | No                                                       |
| Rated Torque               | 24000 in-lb                                              |
| Selling Unit of Measure    | piece                                                    |
| Shaft Attachment           | Rough Bore                                               |
