

## PRODUCT-DETAILS

# 3BSE014092R1

## DSBC 174K25 Connection kit for red S100

### General Information

|                      |                                         |
|----------------------|-----------------------------------------|
| Product ID           | 3BSE014092R1                            |
| ABB Type Designation | DSBC 174K25                             |
| Catalog Description  | DSBC 174K25 Connection kit for red S100 |
| Long Description     | Connection Kit                          |

### Additional Information

|                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description    | Connection Kit                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| Technical Information | <p>DSBC 174K25 Connection Kit for Redundant S100 I/O<br/>Bus Connection, For I/O subrack No 3 or 5.<br/>Set incl.<br/>2 pc 3BSE012211R1 DSBC 174<br/>1 pc 3BSE014508R1 TK567<br/>2 pc 26390360-N DSTK 195</p> <p>Note!
