

## PRODUCT-DETAILS

# 57160001-LF

## DSTD 133 Connection Unit

### General Information

|                      |                                                                                                                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 57160001-LF                                                                                                                                                                                                                    |
| ABB Type Designation | DSTD 133                                                                                                                                                                                                                       |
| Catalog Description  | DSTD 133 Connection Unit                                                                                                                                                                                                       |
|                      | DSTD 133 Connection Unit for Digital Input Board,<br>16 channels, max 240 V                                                                                                                                                    |
| Long Description     | Note! This part is exempted from the scope of 2011/65/EU (RoHS)<br>as provided in Article 2(4)(c), (e), (f) and (j) therein<br>(ref.: 3BSE088609 - EU DECLARATION OF CONFORMITY<br>- ABB Advant Master Process Control System) |

### Additional Information

|                       |                                                                          |
|-----------------------|--------------------------------------------------------------------------|
| Medium Description    | DSTD 133 Connection Unit                                                 |
| Technical Information | DSTD 133 Connection Unit for Digital Input Board, 16 channels, max 240 V |
| Product Type          | Module_Termination_Unit                                                  |

### Ordering

|                       |                                                                                                                      |
