

## PRODUCT-DETAILS

# 5716075-A

## DSDI 451 Remote Input Expansion Unit

### General Information

|                      |                                                                                                                                                                                                                                |
|----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 5716075-A                                                                                                                                                                                                                      |
| ABB Type Designation | DSDI 451                                                                                                                                                                                                                       |
| Catalog Description  | DSDI 451 Remote Input Expansion Unit                                                                                                                                                                                           |
| Long Description     | <p>DSDI 451 Remote Input Expansion Unit 32 DI 24V</p> <p>Ribbon Cable 26390373-D 26-P 0,18 meter</p> <p>Fuse (-F4 ) 56722011-11 500 mA</p> <p>Plug 4 pos 2664197-4</p> <p>Plug 2 pos 2664193-2</p> <p>Plug 8 Pos 2664193-8</p> |

Note! This part is exempted from the scope of 2011/65/EU (RoHS) as provided in Article 2(4)(c), (e), (f) and (j) therein (ref.: 3BSE088609 – EU DECLARATION OF CONFORMITY '- ABB Advant Master Process Control System)

### Additional Information

|                       |                                                                                                                                                                                                                                                                  |
