

## PRODUCT-DETAILS

# 1801763-001

## ETHERNET DEV SERVER,2 PORT, SERIAL TO I

### General Information

|                      |                                                                       |
|----------------------|-----------------------------------------------------------------------|
| Product ID           | 1801763-001                                                           |
| ABB Type Designation | -                                                                     |
| Catalog Description  | ETHERNET DEV SERVER,2 PORT, SERIAL TO I                               |
| Long Description     | Ethernet Device Server, Lantronix UDS 200, dual serial port (will not |

### Additional Information

|                              |                                         |
|------------------------------|-----------------------------------------|
| ABB Type Designation         | -                                       |
| Country of Origin            | United States (US)                      |
| Customs Tariff Number        | 85371090                                |
| Gross Weight                 | 0 kg                                    |
| Invoice Description          | ETHERNET DEV SERVER,2 PORT, SERIAL TO I |
| Made To Order                | No                                      |
| Minimum Order Quantity       | 1 EA                                    |
| Order Multiple               | 1 EA                                    |
| Package Level 1 Gross Weight | 0 lb                                    |
| Package Level 1 Units        | 1 EA                                    |
| Part Type                    | New                                     |
| Product Name                 | -                                       |
| Product Net Weight           | 0 kg                                    |
| Product Type                 | Undefined                               |
| Quote Only                   | No                                      |
| Selling Unit of Measure      | each                                    |

|                            |                                       |
