

## PRODUCT-DETAILS

# 2CSYK1001C

## 2CSYK1001C 2 binary inputs module, white

### General Information

|                       |                                                                                                                                                                                                                                              |
|-----------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Extended Product Type | 2CSYK1001C                                                                                                                                                                                                                                   |
| Product ID            | 2CSYK1001C                                                                                                                                                                                                                                   |
| EAN                   | 8012542148555                                                                                                                                                                                                                                |
| Catalog Description   | 2CSYK1001C 2 binary inputs module, white                                                                                                                                                                                                     |
| Long Description      | Device equipped with 2 binary input channels that can be used to interface to KNX system conventional push-buttons/rocker switches, or auxiliary/technical contacts. Equipped with LED for functional signaling. Flush-mounted installation. |

### Technical

|                                  |                               |
|----------------------------------|-------------------------------|
| Product Name                     | 2 binary inputs module, white |
| Input Voltage (U <sub>in</sub> ) | 20...20 V                     |
| Input Voltage Type               | DC                            |
| Mounting Type                    | Flush mounted (plaster)       |
| Number of Batteries              | 0                             |

### Environmental

|                      |      |
|----------------------|------|
| Degree of Protection | IP20 |
|----------------------|------|

### Dimensions

|                    |   |
|--------------------|---|
| Width in Number of | 2 |
|--------------------|---|

|                                  |         |
|----------------------------------|---------|
| Modular Spacings                 |         |
| Product Net Width                | 43 mm   |
| Product Net Height               | 44 mm   |
| Product Net Depth / Length       | 44 mm   |
| Product Net Weight               | 0.07 kg |
| Built-In Depth (t <sub>2</sub> ) | 43 mm   |

Container Information

|                                |               |
|--------------------------------|---------------|
| Package Level 1 Units          | box 1 piece   |
| Package Level 1 Width          | 0.09 m        |
| Package Level 1 Height         | 0.065 m       |
| Package Level 1 Depth / Length | 0.125 m       |
| Package Level 1 Gross Weight   | 0.12 kg       |
| Package Level 1 EAN            | 8012542148555 |

Ordering

|                         |            |
|-------------------------|------------|
| Minimum Order Quantity  | 1 piece    |
| Customs Tariff Number   | 85389091   |
| Country of Origin       | Italy (IT) |
| Selling Unit of Measure | piece      |

Certificates and Declarations (Document Number)

|                                |                 |
