

## PRODUCT-DETAILS

# 23BI61 R0001 S

## 23BI61 R1: 16 binary inputs, 24 ... 48 VDC, spare part

### General Information

|                         |                                                                                                                                                                                                                                                                                                                                                                                                              |

| ABB Type Designation    | -                                                                                                                                                                                                                                                                                                                                                                                                            |
| Catalog Description     | 23BI61 R1: 16 binary inputs, 24 ... 48 VDC, spare part                                                                                                                                                                                                                                                                                                                                                       |
| Long Description        | <p>To be used for single indications, double indications, digital measurands and pulse counters.</p> <ul style="list-style-type: none"> <li>- Resolution: 1ms</li> <li>- Process voltage: 24 ... 48 VDC</li> <li>- LED signal for each input</li> <li>- common return per 8 inputs</li> <li>- Module length: 105 mm</li> <li>- Incl. label for plastic housing 23HS60</li> <li>- Incl. connectors</li> </ul> |

### Additional Information

|                         |                                                        |
|-------------------------|--------------------------------------------------------|
| ABB Type Designation    | -                                                      |
| Country of Origin       | Germany (DE)                                           |
| Customs Tariff Number   | 85177000                                               |
| Global Commercial Alias | 23BI61 R0001 S                                         |
| Gross Weight            | 0.167 kg                                               |
| Invoice Description     | 23BI61 R1: 16 binary inputs, 24 ... 48 VDC, spare part |
| Made To Order           | No                                                     |

|                         |                           |
|-------------------------|---------------------------|
| Minimum Order Quantity  | 1 piece                   |
| Order Multiple          | 1 piece                   |
| Package Level 1 Units   | 0 carton                  |
| Product Name            | 23BI61 R0001 S            |
| Product Net Height      | 4.8 cm                    |
| Product Net Length      | 15.4 cm                   |
| Product Net Weight      | 0.105 kg                  |
| Product Net Width       | 20.4 cm                   |
| Product Type            | Undefined                 |
| Quote Only              | No                        |
| Selling Unit of Measure | piece                     |
| Stocked At (Warehouses) | Mannheim, Germany         |
| WEEE Category           | Product Not in WEEE Scope |
