

## PRODUCT-DETAILS

# 560NMD01 R0001

DIN rail integrated managed switch with 1 SDSL-port, 4 Ethernet ports and 1 serial RS-232 port

## General Information

|                         |                                                                                                                                                                                                                                                                                                                                                           |
