

## PRODUCT-DETAILS

# XMC20 Core - Ethernet Service Units

## ETAG1 Ethernet Aggreg. unit

### General Information

|                         |                                     |
|-------------------------|-------------------------------------|
| Global Commercial Alias | XMC20 Core - Ethernet Service Units |
| Product ID              | 1KHX47900242                        |
| ABB Type Designation    | Ethernet Service Units              |
| Catalog Description     | ETAG1 Ethernet Aggreg. unit         |

### Additional Information

|                         |                                                                           |
|-------------------------|---------------------------------------------------------------------------|
| ABB Type Designation    | Ethernet Service Units                                                    |
| Country of Origin       | Germany (DE)                                                              |
| Customs Tariff Number   | -                                                                         |
| Global Commercial Alias | XMC20 Core - Ethernet Service Units                                       |
| Invoice Description     | ETAG1 Ethernet Aggreg. unit                                               |
| Made To Order           | No                                                                        |
| Minimum Order Quantity  | 1 piece                                                                   |
| Order Multiple          | 1 piece                                                                   |
| Product Name            | XMC20 Core                                                                |
| Product Type            | Undefined                                                                 |
| Quote Only              | No                                                                        |
| Selling Unit of Measure | piece                                                                     |
| Stocked At (Warehouses) | Baden, Switzerland                                                        |
| Technical Information   | 4 x 10/100BaseT Ethernet Aggregation Unit for TDM management channel only |
| WEEE Category           | Product Not in WEEE Scope                                                 |
