

## PRODUCT-DETAILS

# REL670 A31, Ver. 2.0

Line distance protection , Single breaker, 3 phase tripping

## General Information

|                         |                                                             |
|-------------------------|-------------------------------------------------------------|
| Global Commercial Alias | REL670 A31, Ver. 2.0                                        |
| Product ID              | 1MRK004812-AE                                               |
| ABB Type Designation    | REL670, Ver. 2.0                                            |
| Catalog Description     | Line distance protection , Single breaker, 3 phase tripping |

## Additional Information

|                         |                                                             |
|-------------------------|-------------------------------------------------------------|
| ABB Type Designation    | REL670, Ver. 2.0                                            |
| Customs Tariff Number   | 85363010                                                    |
| Global Commercial Alias | REL670 A31, Ver. 2.0                                        |
| Invoice Description     | Line distance protection , Single breaker, 3 phase tripping |
| Made To Order           | No                                                          |
| Minimum Order Quantity  | 1 piece                                                     |
| Order Multiple          | 1 piece                                                     |
| Product Name            | REL670 A31                                                  |
| Product Type            | Undefined                                                   |
| Quote Only              | No                                                          |
| Selling Unit of Measure | piece                                                       |
| Stocked At (Warehouses) | Västerås, Sweden<br>Bangalore, India                        |
| WEEE Category           | Product Not in WEEE Scope                                   |
