

## PRODUCT-DETAILS

# XMC20 Accessory - SFP Modules NUSAx

## SFP STM-16 S-16.2 SM 15km 1550nm

### General Information

|                         |                                     |
|-------------------------|-------------------------------------|
| Global Commercial Alias | XMC20 Accessory - SFP Modules NUSAx |
| Product ID              | ANR_37973215                        |
| ABB Type Designation    | SFP Modules for NUSAx               |
| Catalog Description     | SFP STM-16 S-16.2 SM 15km 1550nm    |

### Additional Information

|                         |                                                                                                                                                                                        |
