

## PRODUCT-DETAILS

# HAO805K01

## Analog Output Kit, 8-CH, HART

### General Information

|                      |                                                                                                                              |
|----------------------|------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | HAO805K01                                                                                                                    |
| ABB Type Designation | HAO805K01                                                                                                                    |
| Catalog Description  | Analog Output Kit, 8-CH, HART                                                                                                |
| Long Description     | 4-20mA, 8 Ch Group Isolated, with dedicated HART modems for each channel. Use Base ITU805. Kit Contents: 1x (HAO805, ITU805) |

### Additional Information

|              |            |
|--------------|------------|
| Product Type | I-O_Module |
|--------------|------------|

### Ordering

|                       |                                                                                                                                                                                                                                                                                                                                                                                          |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Country of Origin     | India (IN)                                                                                                                                                                                                                                                                                                                                                                               |
| HS Code               | 853710-- Boards, panels, consoles, desks, cabinets and other bases, equipped with two or more apparatus of heading 85.35 or 85.36, for electric control or the distribution of electricity, including those incorporating instruments or apparatus of Chapter 90, and numerical control apparatus, other than switching apparatus of heading 85.17.- For a voltage not exceeding 1,000 V |
| Customs Tariff Number | 8537109170                                                                                                                                                                                                                                                                                                                                                                               |

### Dimensions

|                    |           |
|--------------------|-----------|
| Product Net Height | 322.58 mm |
|--------------------|-----------|

|                    |           |
|--------------------|-----------|
| Product Net Width  | 149.86 mm |
| Product Net Weight | 0.56 kg   |

Technical

|                           |    |
|---------------------------|----|
| Channel Type              | AO |
| Number of Output Channels | 8  |

Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |
