

## PRODUCT-DETAILS

# 1HML300612R1

## Tripping spring for FSA drive mechanism

### General Information

|                      |                                          |
|----------------------|------------------------------------------|
| Product ID           | 1HML300612R1                             |
| ABB Type Designation | HSN: 8538 90 00 ; GST:18%                |
| Catalog Description  | Tripping spring for FSA drive mechanism  |
| Long Description     | For single pole operated by single drive |

### Additional Information

|                            |                                         |
|----------------------------|-----------------------------------------|
| ABB Type Designation       | HSN: 8538 90 00 ; GST:18%               |
| Country of Origin          | India (IN)                              |
| Customs Tariff Number      | -                                       |
| Invoice Description        | Tripping spring for FSA drive mechanism |
| Made To Order              | No                                      |
| Medium Description         | Type:52kV EDF SK 1-1 with FSA drive     |
| Minimum Order Quantity     | 1 piece                                 |
| Order Multiple             | 1 piece                                 |
| Part Type                  | New                                     |
| Product Name               | 52kV EDF SK 1-1 with FSA drive          |
| Product Type               | Undefined                               |
| Quote Only                 | No                                      |
| Selling Unit of Measure    | piece                                   |
| Short Description          | 1 PCE required per circuit breaker      |
| Stocked At<br>(Warehouses) | Vadodara, India                         |
| WEEE Category              | Product Not in WEEE Scope               |
