

## PRODUCT-DETAILS

# CR-P/M 92CV

CR-P/M 92CV Pluggable module varistor and LED green, 110-230VAC/110VDC

## General Information

|                       |                                                                                                                                                                                                                                   |

| Catalog Description   | CR-P/M 92CV Pluggable module varistor and LED green, 110-230VAC/110VDC                                                                                                                                                            |
| Long Description      | The CP-P/M 92CV plug-in module is a pluggable funtion module for sockets of the CR-P and CR-M range. This module provides overvoltage protection and a green LED indication. The rated control supply voltage is 110-230 V AC/DC. |

## Ordering

|                        |          |
|------------------------|----------|
| Minimum Order Quantity | 10 piece |
| Customs Tariff Number  | 85480090 |
