

## PRODUCT-DETAILS

# 1VCF309750S0201

Position switch Q1-15, BB1-2-3, BGB1-2 of circuit-breaker operating ...<SEE TECHNICAL DESCRIPTION>

### General Information

|                      |                                                                                                    |
|----------------------|----------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF309750S0201                                                                                    |
| ABB Type Designation | Certification Level 2                                                                              |
| Catalog Description  | Position switch Q1-15, BB1-2-3, BGB1-2 of circuit-breaker operating ...<SEE TECHNICAL DESCRIPTION> |
| Long Description     | Replacement for 1VCF309750R0201                                                                    |

### Additional Information

|                         |                                                                                                                                                      |
