

## PRODUCT-DETAILS

# 1VCF329099S0002

## Closing springs, set of 1, of operating mechanism ES6 for RM, SFA, HAUBEU

### General Information

|                      |                                                                           |
|----------------------|---------------------------------------------------------------------------|
| Product ID           | 1VCF329099S0002                                                           |
| ABB Type Designation | Certification Level 3                                                     |
| Catalog Description  | Closing springs, set of 1, of operating mechanism ES6 for RM, SFA, HAUBEU |
| Long Description     | Replacement for UXAB329099002                                             |

### Additional Information

|                         |                                                                                       |
