

## PRODUCT-DETAILS

# 1VCF339753S3904

Closing release YC-MC-MBC, smart coil, aux.  
voltage 48Vdc ANSI for Vmax, ADVAC

### General Information

|                      |                                                                                |
|----------------------|--------------------------------------------------------------------------------|
| Product ID           | 1VCF339753S3904                                                                |
| ABB Type Designation | Certification Level 2                                                          |
| Catalog Description  | Closing release YC-MC-MBC, smart coil, aux. voltage 48Vdc ANSI for Vmax, ADVAC |
| Long Description     | .                                                                              |

### Additional Information

|                         |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| ABB Type Designation    | Certification Level 2                                                                 |
| Country of Origin       | Italy (IT)                                                                            |
| Customs Tariff Number   | 85389099                                                                              |
| Invoice Description     | Closing release YC-MC-MBC, smart coil, aux. voltage 48Vdc ANSI for Vmax, ADVAC        |
| Made To Order           | No                                                                                    |
| Maximum Order Quantity  | 15 piece                                                                              |
| Medium Description      | Close coil 48Vdc ANSI for Vmax,Advac                                                  |
| Minimum Order Quantity  | 1 piece                                                                               |
| Order Multiple          | 1 piece                                                                               |
| Package Level 1 Units   | 0 carton                                                                              |
| Part Type               | New                                                                                   |
| Product Name            | On operating mechanism                                                                |
| Product Net Height      | 80 mm                                                                                 |
| Product Net Length      | 80 mm                                                                                 |
| Product Net Width       | 135 mm                                                                                |
| Product Type            | Spare_Parts                                                                           |
| Quote Only              | No                                                                                    |
| Selling Unit of Measure | piece                                                                                 |
| Short Description       | Close coil 48Vdc ANSI for Vmax,Advac                                                  |
| Stocked At (Warehouses) | Dalmine, Italy<br>Moorebank, Australia<br>Modderfontein, South Africa<br>BRABB008EXPU |
| Technical Information   | Closing release YC-MC-MBC, smart coil, aux. voltage 48Vdc ANSI for Vmax, ADVAC        |
| WEEE Category           | Product Not in WEEE Scope                                                             |

| Where Used (as a spare part for "Products") |                          |          |                 |
