

## PRODUCT-DETAILS

# 1VCF339754S1912

Opening release YO1-MO1-MBO1, smart coil,  
aux. voltage 125Vdc, 120Vac 60Hz  
IEEE/5Cycles ANSI for ADVAC, VD4 High Duty  
with EL Twin

### General Information

|                      |                                                                                                                                       |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF339754S1912                                                                                                                       |
| ABB Type Designation | Certification Level 2                                                                                                                 |
