

## PRODUCT-DETAILS

# 1VCF339757S0903

Additional opening release Y9-MO2-MBO2  
aux. voltage 30Vdc for VD4 36-40,5kV Classic  
from s.n. BE00043971

### General Information

|                      |                                                                                                          |
|----------------------|----------------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF339757S0903                                                                                          |
| ABB Type Designation | Certification Level 2                                                                                    |
