

## PRODUCT-DETAILS

# 1VCF339850S0601

Thermomagnetic motor protection Q60-FB1-FCM1 with electr. signalling ON or OFF 24-60Vdc-ac 50Hz for VD4/R EL up to

s.n.BH00000648

| General Information  |                                                                                                                                   |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF339850S0601                                                                                                                   |
| ABB Type Designation | Certification Level 2                                                                                                             |
| Catalog Description  | Thermomagnetic motor protection Q60-FB1-FCM1 with electr. signalling ON or OFF 24-60Vdc-ac 50Hz for VD4/R EL up to s.n.BH00000648 |
| Long Description     | Replacement for 1VCF339850R0601; 1VCF339850R0604                                                                                  |

## Additional Information

|                         |                                                                                                                                   |
