

## PRODUCT-DETAILS

# 1VCF349799S0631

SF6 integrated circuit control with 3 leds aux.  
voltage 24-30Vdc for HD4 (from s.n.  
AC00002779)

### General Information

|                      |                                                                                                 |
|----------------------|-------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF349799S0631                                                                                 |
| ABB Type Designation | Certification Level 2                                                                           |
| Catalog Description  | SF6 integrated circuit control with 3 leds aux. voltage 24-30Vdc for HD4 (from s.n. AC00002779) |
| Long Description     | .                                                                                               |

### Additional Information

|                           |                                                                                                 |
|---------------------------|-------------------------------------------------------------------------------------------------|
| ABB Type Designation      | Certification Level 2                                                                           |
