

## PRODUCT-DETAILS

# 1VCF369078S0909

Undervoltage release YU-MU-MBU aux.  
voltage 110Vdc, for fixed circuit breaker type  
DR (Diarc), RG, SFA, SFE, with ER operating

## mechanism

| General Information  |                                                                                                                                          |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 1VCF369078S0909                                                                                                                          |
| ABB Type Designation | Certification Level 3                                                                                                                    |
| Catalog Description  | Undervoltage release YU-MU-MBU aux. voltage 110Vdc, for fixed circuit breaker type DR (Diarc), RG, SFA, SFE, with ER operating mechanism |
| Long Description     | Replacement for UXAB369078909                                                                                                            |

## Additional Information

|                         |                                                                                                                                          |
