

## PRODUCT-DETAILS

# 1VCF599816S0230

Lamp voltage signaling "VPIS" of MV in set of n°1 for PowerCube PB/1/2/3/4/5

### General Information

|                      |                                                                              |
|----------------------|------------------------------------------------------------------------------|
| Product ID           | 1VCF599816S0230                                                              |
| ABB Type Designation | Certification Level 2                                                        |
| Catalog Description  | Lamp voltage signaling "VPIS" of MV in set of n°1 for PowerCube PB/1/2/3/4/5 |
| Long Description     | .                                                                            |

### Additional Information

|                         |                                                                                       |
|-------------------------|---------------------------------------------------------------------------------------|
| ABB Type Designation    | Certification Level 2                                                                 |
| Country of Origin       | Italy (IT)                                                                            |
| Customs Tariff Number   | 85389099                                                                              |
| Invoice Description     | Lamp voltage signaling "VPIS" of MV in set of n°1 for PowerCube PB/1/2/3/4/5          |
| Made To Order           | No                                                                                    |
| Maximum Order Quantity  | 15 piece                                                                              |
| Medium Description      | Lamp Voltage sign. VPIS for PowerCube                                                 |
| Minimum Order Quantity  | 1 piece                                                                               |
| Order Multiple          | 1 piece                                                                               |
| Package Level 1 Units   | 0 piece                                                                               |
| Product Name            | LvModules                                                                             |
| Product Type            | Spare_Parts                                                                           |
| Quote Only              | No                                                                                    |
| Selling Unit of Measure | piece                                                                                 |
| Short Description       | Lamp Voltage sign. VPIS for PowerCube                                                 |
| Stocked At (Warehouses) | Dalmine, Italy<br>Moorebank, Australia<br>Modderfontein, South Africa<br>BRABB008EXPU |
| Technical Information   | Lamp voltage signaling "VPIS" of MV in set of n°1 for PowerCube PB/1/2/3/4/5          |
| WEEE Category           | Product Not in WEEE Scope                                                             |

Where Used (as a spare part for "Products")

| Identifier   | Description              | Quantity | Unit Of Measure |
|--------------|--------------------------|----------|-----------------|
| 9AAC30401542 | No Description Available | 1        | piece           |
| 9AAC30400404 | No Description Available | 1        | piece           |

Product specific part data

| Product      | Category            | Switchgear Part Category |
|--------------|---------------------|--------------------------|
| 9AAC30401542 | IEC PowerCube Units | Feeder and Battery       |
| 9AAC30400404 | UniSafe             | Feeder and Battery       |
