

## PRODUCT-DETAILS

# 1YMR851559M0001

Hollow insulator with arcing chamber type "H"  
- long creepage distance

## General Information

|                      |                                                                                                            |
|----------------------|------------------------------------------------------------------------------------------------------------|
| Product ID           | 1YMR851559M0001                                                                                            |
| ABB Type Designation | 1YMR851559M0001                                                                                            |
| EAN                  | 5908270812673                                                                                              |
| Catalog Description  | Hollow insulator with arcing chamber type "H" - long creepage distance                                     |
| Long Description     | Hollow insulator with arcing chamber type "H" - long creepage distance for NAL/NALF<br>24kV-630A H-version |

## Additional Information

|             |                |
|-------------|----------------|
| Application | NAL components |
|-------------|----------------|

## Ordering

|                         |                                   |
|-------------------------|-----------------------------------|
| Product Name            | Hollow insulator with arc. chamb. |
| Catalog Number          | 1YMR851559M0001                   |
| EAN                     | 5908270812673                     |
| Made To Order           | Yes                               |
| Minimum Order Quantity  | 1 piece                           |
| Selling Unit of Measure | piece                             |
| Country of Origin       | Poland (PL)                       |
