

## PRODUCT-DETAILS

# 1YMX401251M0001

## NAL teflon washer arc-control device

### General Information

|                      |                                                                   |
|----------------------|-------------------------------------------------------------------|
| Product ID           | 1YMX401251M0001                                                   |
| ABB Type Designation | 1YMX401251M0001                                                   |
| EAN                  | 5908270829596                                                     |
| Catalog Description  | NAL teflon washer arc-control device                              |
| Long Description     | NAL teflon washer arc-control device for NAL/NALF 12/17.5/24/36kV |

### Additional Information

|             |                |
|-------------|----------------|
| Application | NAL components |
|-------------|----------------|

### Ordering

|                         |                                    |
|-------------------------|------------------------------------|
| Product Name            | NAL teflon washer arc-control dev. |
| Catalog Number          | 1YMX401251M0001                    |
| EAN                     | 5908270829596                      |
| Made To Order           | Yes                                |
| Minimum Order Quantity  | 1 piece                            |
| Selling Unit of Measure | piece                              |
| Country of Origin       | Poland (PL)                        |
