| Extended Product Type | E201/45R                                                                                                                                                                                                                                                                                                                                                                                                                  |
| Product ID            | 2CDE281001R0045                                                                                                                                                                                                                                                                                                                                                                                                           |
| EAN                   | 4016779645706                                                                                                                                                                                                                                                                                                                                                                                                             |
| Catalog Description   | E201/45R Switch Disconnecter                                                                                                                                                                                                                                                                                                                                                                                              |
| Long Description      | These devices are suitable for commanding loads and they are realized according EN 60947-3 and EN 60669-1 respectively. Fast removal without dismantling of the busbar. Captive screws with recessed/slotted head. Pozidrive size 2. Add-on of up to 3 auxiliary contact S2C-H6R possible Integrated lay-on edge for labeling system ILS. Locking device as accessories for unauthorized ON/OFF. Approval: VDE, CCC, KEMA |
