| Product Name                       | Fuse link                                     |
| Rated Voltage ( $U_r$ )            | 400...400 V                                   |
| Rated Operational Voltage          | 400 V AC                                      |
| Voltage Range                      | 400 V AC                                      |
| Rated Current ( $I_n$ )            | 4 A                                           |
| Rated Primary Current ( $I_{pn}$ ) | 4 A                                           |
| Maximum Breaking Capacity          | 20 kA                                         |
| Power Loss                         | at Rated Operating Conditions per Pole 0.26 W |
| Utilization Category               | aM (Switchgear protection)                    |
| Fuse Type                          | Cylindrical aM                                |
| Release Type                       | Other                                         |
| Fuse Size                          | Cylindr. IEC 8,5x31,5                         |
