| Catalog Description   | 1722F85-885 Cover frame                                                                                                                                                                                                                                                                                                                                    |
| Long Description      | Flush mounting cover frame for 1-gang cover plated accessories, such as switches. Suitable for both horizontal and vertical installation. The manufacture material is a durable high quality plastic. The surface is matt and easy to keep clean. Cleaning with a mild, standard household detergent. Be careful when cleaning with a powerful dissolvent. |
