

## PRODUCT-DETAILS

# 3BDH000553R1

## SC 891, Power Supply Connection Unit

### General Information

|                      |                                                                                                                                                                                                            |
|----------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Product ID           | 3BDH000553R1                                                                                                                                                                                               |
| ABB Type Designation | 3BDH000553                                                                                                                                                                                                 |
| Catalog Description  | SC 891, Power Supply Connection Unit                                                                                                                                                                       |
| Long Description     | For redundant power supply in use with SD 891 or SD 894.<br>With input and output terminals, fuses and redundancy moduls.<br>Each power input supervised. Assembled on 4 HE mounting plate,<br>width=440mm |

### Additional Information

|                    |                                                                                                                                                                                                    |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description | For redundant power supply in use with SD 891 or SD 894. With input and output terminals, fuses and redundancy modules. Each power input supervised. Assembled on 4 RU mounting plate, width=440mm |
| Product Type       | Power_Supply                                                                                                                                                                                       |

### Ordering

|                       |                                                                                                                                                                                                                                                                                                                                                                                               |
