

## PRODUCT-DETAILS

# 3BNP015174R1

## DSTD N021V1, 24VDC/2A Normally De-energi

### General Information

|                      |                                          |
|----------------------|------------------------------------------|
| Product ID           | 3BNP015174R1                             |
| ABB Type Designation | DSTD N021V1                              |
| Catalog Description  | DSTD N021V1, 24VDC/2A Normally De-energi |
| Long Description     | Normally De-Energized Output             |

### Additional Information

|                       |                                                                                                                                                                                                                                                                               |
|-----------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Medium Description    | Normally De-Energized Output                                                                                                                                                                                                                                                  |
| Technical Information | DSTD N021V1 24VDC/2A Normally De-Energized Output Unit Note! This part is exempted from the scope of 2011/65/EU (RoHS) as provided in Article 2(4) (c), (e), (f) and (j) therein (ref.: 3BSE088609 – EU DECLARATION OF CONFORMITY - ABB Advant Master Process Control System) |
| Product Type          | Unclassified                                                                                                                                                                                                                                                                  |

### Ordering

|                       |                                                                                                                   |
|-----------------------|-------------------------------------------------------------------------------------------------------------------|
| Country of Origin     | Sweden (SE)<br>United States (US)                                                                                 |
| HS Code               | 853890-- Parts suitable for use solely or principally with the apparatus of heading 85.35, 85.36 or 85.37.- Other |
| Customs Tariff Number | 85389091                                                                                                          |

### Dimensions

|                    |         |
|--------------------|---------|
| Product Net Height | 45 mm   |
| Product Net Width  | 135 mm  |
| Product Net Weight | 0.32 kg |

### Environmental

|                     |                                                            |
|---------------------|------------------------------------------------------------|
| WEEE Category       | 5. Small Equipment (No External Dimension More Than 50 cm) |
| Number of Batteries | 0                                                          |

| Where Used (as part of "kit") |                                             |      |
|-------------------------------|---------------------------------------------|------|
