### General Information

|                      |                                          |
|----------------------|------------------------------------------|
| Product ID           | 3BSE004419R1                             |
| ABB Type Designation | DSSA 150AK12                             |
| Catalog Description  | DSSA 150AK12 Basic Power Supply and Swit |

|                  |                                                   |
|------------------|---------------------------------------------------|
| Long Description | DSSA 150AK12 Basic Power Supply and Switch Units. |
|                  | Input: DC 24V                                     |
|                  | Output: DC 24V, 20A.                              |
|                  | Set incl.                                         |
|                  | 1 pc 3BSC610028R1 SD150                           |
|                  | 1 pc 3BSE004258R1 SX554                           |
|                  | 1 pc 3BSE004257R1 SX550                           |
|                  | 1 pc 3BSC910048R1 SX5XX                           |

Note! This part is exempted from the scope of 2011/65/EU (RoHS)  
as provided in Article 2(4)(c), (e), (f) and (j) therein  
(ref.: 3BSE088609 - EU DECLARATION OF CONFORMITY  
- ABB Advant Master Process Control System)

### Additional Information

|                       |                                                   |
|-----------------------|---------------------------------------------------|
| Medium Description    | Basic Power Supply and Switch Units.              |
| Technical Information | DSSA 150AK12 Basic Power Supply and Switch Units. |
|                       | Input: DC 24V                                     |
|                       | Output: DC 24V, 20A.                              |
|                       | Set incl.                                         |
|                       | 1 pc 3BSC610028R1 SD150                           |
