|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HS Code               | 854442-- Insulated (including enamelled or anodised) wire, cable (including co-axial cable) and other insulated electric conductors, whether or not fitted with connectors; optical fibre cables, made up of individually sheathed fibres, whether or not assembled with electric conductors or fitted with connectors.- Other electric conductors, for a voltage not exceeding 1,000 V :-- Fitted with connectors |
| Customs Tariff Number | 85444290                                                                                                                                                                                                                                                                                                                                                                                                           |

## Dimensions

|                    |        |
|--------------------|--------|
| Product Net Height | 0 mm   |
| Product Net Width  | 0 mm   |
| Product Net Weight | 0.3 kg |

## Environmental

|               |                           |
|---------------|---------------------------|
| RoHS Status   | Not RoHS Compliant        |
| WEEE Category | Product Not in WEEE Scope |
