

## PRODUCT-DETAILS

# 3BSE079641R1

## 100 MI Non-Red. to Red. Tags

License

### General Information

|                      |                              |
|----------------------|------------------------------|
| Product ID           | 3BSE079641R1                 |
| ABB Type Designation | 800xA 6.0                    |
| Catalog Description  | 100 MI Non-Red. to Red. Tags |

### Additional Information

|                    |                                                                                                                     |
|--------------------|---------------------------------------------------------------------------------------------------------------------|
| Medium Description | Convert a non-redundant tag to a redundant one in the subscriber system in a Multisystem Integration configuration. |
| Product Type       | Licenses                                                                                                            |

### Ordering

|                       |                                   |
|-----------------------|-----------------------------------|
| Country of Origin     | Sweden (SE)<br>United States (US) |
| Customs Tariff Number | 9999999999                        |

### Dimensions

|                    |          |
|--------------------|----------|
| Product Net Weight | 0.001 kg |
|--------------------|----------|

### Environmental

|               |                           |
|---------------|---------------------------|
| RoHS Status   | No declaration needed     |
| WEEE Category | Product Not in WEEE Scope |
