

PRODUCT-DETAILS

3BSE093118R1

Field Kit 6.1

License

General Information

Product ID	3BSE093118R1
ABB Type Designation	800xA 6.1
Catalog Description	Field Kit 6.1
Long Description	License for usage of software to configure and check Select I/O as well as S800 on Ethernet independent of an 800xA system. The software can be installed on a Windows 10 Laptop or PC in a single node configuration. Usage includes Device Management for HART features as applicable for configuration and test of HART field devices. Testing of I/O loops is supported by user interface elements, which guide through the test procedure and log test results. Field Kit allows to transfer I/O configuration files and test reports for further processing in 800xA systems.

Additional Information

Medium Description	License for usage of software to configure and check Select I/O as well as S800 on Ethernet independent of an 800xA system. The software can be installed on a Windows 10 Laptop or PC in a single node configuration. Usage includes Device Management for HART features as applicable for configuration and test of HART field devices. Testing of I/O loops is supported by user interface elements, which guide through the test procedure and log test results. Field Kit allows to transfer I/O configuration files and test reports for further processing in 800xA systems.
Product Type	Licenses

Ordering	
Country of Origin	Sweden (SE) United States (US)
HS Code	490199-- Printed books, brochures, leaflets and similar printed matter, whether or not in single sheets.- Other :-- Other
Customs Tariff Number	99999999

Dimensions	
Product Net Weight	0.001 kg
