| ABB Type Designation | DDC 6.0.1                                                                                                                                                                                                                                                                                                                                 |
| Catalog Description  | Intel DCM Integration 6.0.1, 1-4 MW                                                                                                                                                                                                                                                                                                       |
| Long Description     | The Intel DCM Integration package provides the functionality required for integrating the Intel Data Center Manager product into Decathlon for Data Centers. It provides the ability from within Decathlon for Data Centers to access the run-time status of servers in a data center. This article covers data centers between 1 and 4MW |

### Additional Information

|                    |                                                                                        |
|--------------------|----------------------------------------------------------------------------------------|
| Medium Description | Intel DCM Integration 6.0.1, 1-4 MW This article covers data centers between 1 and 4MW |
| Product Type       | Licenses                                                                               |

### Ordering

|                       |             |
|-----------------------|-------------|
| Country of Origin     | Canada (CA) |
| Customs Tariff Number | 99999999    |

### Dimensions

|                    |          |
|--------------------|----------|
| Product Net Weight | 0.001 kg |
|--------------------|----------|

### Environmental

|               |                           |
|---------------|---------------------------|
| RoHS Status   | No declaration needed     |
| WEEE Category | Product Not in WEEE Scope |
